VISAS — required for all travelers: You are responsible for securing an Indian tourist visa. We recommend using the indiaonlinevisa.org online service. Before going on the site, use your smartphone and take a photo of yourself with white background and a photo of your passport page and have them ready to upload. If you have a scanner, you can scan the documents. You fill out the forms online, upload the 2 documents and pay the visa fee. You will then be contacted about the next step.

Send this form with a copy of your passport page that includes your photo.

Include a check payable to PAULIST PILGRIMAGES to:
